### Explanatory Note

( This does not form part of the notification, but is intended to indicate its general purport.)

At present, there is no provision in the Kerala State Warehousing Corporation Staff Regulation, 1963 to follow the principles of reservation for persons with disability as applicable to appointments under Government of Kerala and for resorting to special recruitment exclusively from persons with disability to clear the backlog of the representation of persons with disability in the Corporation's service. In pursuance to the direction from the State Commissionerate for Persons with Disabilities to ensure three percent representation of persons with disability in the total staff strength as per the provisions in “The Persons with Disabilities (equal opportunities, protection of rights and full participation) Act 1995”, the Board of Directors of Kerala State Warehousing Corporation as per resolution No. 2667 resolved to make amendment incorporating provision for reservation to persons with disabilities also in the matter of appointments under the Corporation as applicable to appointments under Government of Kerala and also to enable the Corporation to carryout special recruitment of candidates exclusively from persons with disability in any of the categories of staff when the representation of persons with disability falls short of the minimum number of representatives in all the categories put together required by the rules regarding such representation as applicable to appointments under Government of Kerala.

This notification is intended to achieve the above purpose.
